

## **FACILITIES AT SIT**

- **Campus**

The campus is the face of a college. It is the first thing that anybody who visits the college would notice. It plays a huge role in defining what the institution stands for and what image and value it holds. The The Shetty Institute of Technology Located just on the other side of the Ring Road, on Gulbarga Shahabad Highway (NH 150), the college nestles amidst sprawling 17 acres of greenery with a hilly backdrop. The campus breathes fresh air of nature and has vast green pastures, free from pollution and litter. The ambience is ideal for learning, research and living.

The college is an Wi-Fi enabled campus with 10 MBPS Internet connectivity. The college houses the TCS-ION online examination centre in its campus. The college obtains consultancy services from M/s iCRIS solutions pvt. Ltd. The college with implements Smart Card based technology solution called Smart Campus with Campus Management International Pvt. Ltd. The college has well qualified and energetic staff and state of art laboratories. The college building is modern, unique and imposing.

## Library

Knowledge & learning resource centre of SIT acts as a resource hub of the college and is easily accessible to its users providing uncompromising information to its users in a fully integrated and dynamic environment. The functional infrastructure, state of art facility & well trained staff of the center provides a good ambience for self-learning. Excellent support from both management & users has geared to build extensive collection of conventional as well as digital formats.

The mission of the central library is to provide information service and access to bibliographic in order to support the institute march towards its vision. It strives to provide information to faculty and students so as to meet their expectations.

Libraries play a vital role in the development of any society by enhancing the cause of education and academic research. They cater to the information needs of thousands of peoples.

## Sports

Sport is an integral part of social development that needs to be encouraged. Our aim is to produce young men and women who play with good sportsmanship and are competitive every time they step onto the field. We want to teach our students and staff to be committed to their team and take responsibility for their actions. The department is very supportive and encouraging to all the students of the college at all times.

The primary direction is to provide services and programs that stimulate growth, development and retention of students in a contemporary and safe environment that develops fitness and wellness, social interaction and leadership opportunities.

- **Transportation Facility**

SIT provides transport facilities for students in the daytime. Our buses travel to and from multiple routes around the city. The location of our college is quite convenient as it is easily accessible for both private and public transportation services. SIT provides several facilities for the well-being and benefit of the students to ensure that they acquire knowledge in a convenient and comfortable environment.

- **Hostel**

SIT ensure that students dwell in a healthy environment that helps them to grow and learn without any obstacle. SIT offers Hostel Facilities for students studying in different institutions of SGI. The hostel is located within the campus. Students staying in the hostel have access to all the amenities present within the campus.

Life in a college hostel is full of pleasures and amusements. It is a place where food and lodging are provided for students. Life in a hostel is different from the life of homes. Generally, a student stays in a hostel when his residence is located far from his educational institution. Life in a hostel makes a student self-dependent. It makes him smart, active and disciplined. It gives all the students an ample chance to learn how to lead an independent and responsible life.

- **Innovation Club**

Innovation club would help to engage students in innovative and creative activities apart from providing opportunities for hands on activities. The innovation club creates awareness, educate, nurture and inculcate a culture of innovation amongst students and to enable them to generate new ideas and become more innovative.

- **Classrooms**

SIT has well planned systematically furnished classrooms with digital facilities and learning, The classrooms are designed to facilitate the students with pleasant atmosphere to study.

- **WELL-EQUIPPED LABORATORIES**

At SIT, Labs are equipped with world class equipments and facilities based on the latest technology pertaining to different sectors. The students and faculties push the boundaries of possibilities in these world class labs, and there is always a constant buzz in this part of the campus where new knowledge is created.
